### Notes from the Meeting

**Treasurers Report** (Deb Grewe): Nothing new this week. We have a balance of about \$4000.

**Concessions** (Patty Manns): On track for the first home game this Friday.

**Volunteer Status** (Donnell Haas): The volunteer list has only a couple of open slots. The attached files show the slots and the times people have signed up for. The few open slots are highlighted in yellow.

**Team Dinners** (Therese Ferkhinoff): This Thursday will feature Hot Beef sandwiches. Next week Shannon Peterson will lead a group that will serve Tacos. We agreed to repay the Cheerleaders for the \$223 they spent on last week's dinner. Typically we try to work with a \$200 max budget per meal.

**Food Drive:** Tentatively planning Sunday September 30<sup>th</sup> from 1:00 to 3:00. This is pending Todd checking his schedule. This will benefit the Eastside Neighborhood Food Shelf.

**CTV Volunteer Opportunities:** CTV does a great job of covering Huskies Football and they need volunteers to help with many areas of the production during the game. This is open to Parents and kids Middle School or older. Contact Brian Brady if you are interested in helping. [brian.brady@ieee.org](mailto:brian.brady@ieee.org), or 612-710-9020 (cell).

**Senior Night:** Arnie Stahl will help and we need one more volunteer to organize Senior Night at the last regular season home game, October 17<sup>th</sup>. Last year, Laurie Zurbey and Brin Moen did a great job and would be excellent resources for details.

**Fund Raising:**

Cub Bagging – no date set yet – still hoping for the Wednesday night before Thanksgiving.

### **Coaches Report**

Coach Niklaus gave a run down and video analysis of the St. Bernard's game. He pointed out that there are a lot of players who played their first extensive time in a varsity game. They are improving day by day and will be ready to play against Milaca, who is a very good team. They beat Albany who is a perennial power in football last week, and he beaten us two years in a row. They lost only two seniors from last year's team.

THANK YOU FOR SIGNING UP TO VOLUNTEER!!

See you next **Monday** at the **Next Meeting**
