Registration is required for all classes and activities. Registration closes two business days before the first day of class, unless a deadline date is noted. We continue to take registrations when a class has openings. No registration is complete until the fee is paid.

Community Services reserves the right to cancel any class or activity due to insufficient enrollment. When a class or activity is cancelled, Community Services will make every effort to contact the registrant 48 hours before the scheduled start of the activity. Full refunds will be given if this occurs.

Cancellations made more than two business days prior to the start of the activity will be refunded, less $5 handling fee. No refunds will be given if cancellations are made within two business days prior to the start of the activity.

Limited financial assistance is available for School District residents who are unable to meet the costs of specific programs.

Cancellations will be announced on KARE Channel 11, WCCO Channel 4, KMSP Channel 9 or call 612-706-1166 for information.
**INTRO TO STRUCTURAL ENGINEERING** with Tech Academy / **4-6 YEARS**

Young students love to build and learn. Students learn basic structure concepts with fun, hands-on exploration! Concepts include balance within structures, ways of building structures, and stability. By building a variety of models, children can determine the best shape for the job. It’s ideal for developing design and problem-solving skills. These Lego engineering projects will take shape and challenge our youngest engineers.

*Friday, June 26*

9:00 a.m.-11:00 a.m.

$32

*St. Anthony Community Services, Room CS12*

**INTRO TO ROBOTICS** with Tech Academy / **4-6 YEARS**

Young children love to explore and learn! In this unique class, they learn to do just that. This course is a great all-around adventure for the youngest learners. Students will program a floor robot that can draw, and even make music. In the last session, we will compete in a Robo-Olympics.

*Friday, August 7*

PRESCHOOL CAMPS FOR AGES 2-5
Our Preschool Camps will take place at the St. Anthony Community Center. There is access to a gym, playground and open natural space. We have activities planned for all types of weather, inside and outside. Your child will be entertained in a great environment with quality staff and program material. They do not need to be potty trained to attend.

This program is designed with your busy child in mind. Daily activities will include, but are not limited to: games, songs, crafts and stories that revolve around our weekly theme. This is a wonderful way for your child(ren) to build new friendships, confidence, socialization skills, creativity and do all this while enjoying the great outdoors.

Drop off your kids with a bag lunch for a bunch of fun.

MEET THE TEACHERS!

ERIKA HUDSON
My name is Erika Hudson and this is my 7th year teaching Half Day Preschool in St. Anthony. I love spending time with family and friends, being outside and traveling.

ANNE-MARIE FISCHER
Hello, my name is Anne-Marie Fischer. I have been teaching ECFE and Family learning in St. Anthony since 2010. I live in Minneapolis with my school age son and daughter.
JUNE 8-11 TRANSPORTATION with Anne-Marie Fischer
Planes, trains, boats, and cars! So many ways to get around. Let’s have fun creating roadways, using ramps, and sailing boats. Will we make a course for smooth sailing or are we going to CRASH? Either way we’ll have a lot of fun!

JUNE 15-18 OCEAN ANIMALS with Erika Hudson
Come explore the creatures that live in and around the sea. Waddle on in and make a penguin craft, take a bite out of our shark project and have a whale of a time with us!

JUNE 22-25 DINOSAUR ROAR with Erika Hudson
Become a junior paleontologist and chip away at the world of dinosaurs. Get your hands messy when we will make dinosaur fossils and crack open some dinosaur eggs!

JUNE 29-JULY 2 4TH OF JULY with Anne-Marie Fischer
Get ready for the 4th of July weekend with some patriotic play days! Each day will include red white and blue sensory play as well as songs and crafts.

JULY 6-9 CAN WE BUILD IT? with Anne-Marie Fischer
Can we build it? Yes we can! Strap on your tool belt and put on your hard hat because we’re going to create projects made with real wood!

JULY 13-16 CASTLES, DRAGONS, KINGS AND QUEENS with Erika Hudson
Your Royal Highness will be responsible for building a castle to keep out the fire breathing dragon! We will use many different types of materials to craft crowns and dragons that you can take with you back to your kingdom.

JULY 20-23 WATER EXPLORATION with Anne-Marie Fischer
Water water everywhere! Splash in puddles, experiment with the water chute outside, melt ice, even make art all with water!

JULY 27-30 GARDEN & PLANTS with Anne-Marie Fischer
Prepare to get messy! We’ll be get down in the dirt when we spend our time exploring messy art, science and sensory play inside the classroom and outside.

AUGUST 3-6 BUGS with Anne-Marie Fischer
What makes a bug a bug? Explore various types of bugs, make bug habitats, create bug crafts, and get up close with live critters!

AUGUST 10-13 MESSY AND MUDDY CAMP! with Erika Hudson
Just like the title says, we’ll be getting dirt under our nails and everywhere else! Join us in our outdoor classroom to explore all the ways to have fun while getting messy.

AUGUST 17-20 RECYCLED MATERIALS with Anne-Marie Fischer
Reduce, reuse, upcycle! Use cardboard, pop tops, and other recycled materials to create art, experiments, and build structures while helping save the earth.
Kindergarten is a big step for parents and kids. Kindergarten Camp is designed to introduce the students to a day in the life of a full day kindergarten student. The camp allows the kindergartners to familiarize themselves with the school and classroom experience without all the swirl of noise and crowds of older grade students. A great way to meet fellow classmates and parents. The camp will take place in a Kindergarten classroom so your child can familiarize themselves with the school. The camp will be taught by our half day preschool teacher, Erika Hudson and assisted by Shiela Grand, a Wilshire Park staff.

August 3-6
Monday-Thursday
9:00 a.m.-12:00 p.m.
$125 per week
Wilshire Park, Room #112
Enter Door #1

Register early! This camp may fill quickly.
Hello, my name is Sue Pawlyshyn. I teach preschool in the All Day Preschool program in St. Anthony. I live in Northeast Minneapolis with my husband Paul and daughters Madison, Hannah and Grace. I have coached at many levels for over 30 years. I enjoy hiking and cooking.
**SPANISH CAMP** with Concordia Language Villages / **GRADES 1-5 (ENTERING)**

*Shark Tank!* Fun and imagination are the key to unlocking a great camp this week! Campers will use innovation and creativity to design an invention and make a pitch to project-hungry investors! Working in teams, these hands-on entrepreneurs will sell their ideas in creative ways – perhaps dancing, painting or rapping their way to an investment deal. All language levels are welcome, as activities are designed with both new and more advanced speakers in mind. Concordia Language Villages utilizes music, movement and games for language and culture immersion. All language levels are welcome!

**BILINGUAL MUSICAL THEATER** with Musical Theater Minnesota / **GRADES 1-9 (ENTERING)**

Welcome to Musical Theater Minnesota! We are a Minneapolis-based company that offers musical theater lessons to students aged 6 to 14 in the Twin Cities, the first one to offer bilingual Spa-Eng musicals in Minnesota!

Our teachers are highly trained actors, percussionists, guitarists, pianists, singers, and dancers that joined forces to create a program that enhances students’ confidence and allows them to embrace their love for the arts. We work on our dance, singing, and acting technique through a series of different exercises and games. Our repertoire includes songs from well known musicals such as Hamilton, The Lion King, Aladdin, Wicked, Cats, Hairspray, and many more!

At the end of our last session we put on a show. Relatives and friends are invited!

**VOLLEYBALL CAMP with Ayesha Khan**

Are you interested in learning how to play volleyball? Whether you are new to the game or have played before, this class is designed to help players learn and develop a basic understanding of volleyball. The class will include instruction in the basic skills of serving, passing, setting, attacking and blocking. Coach Ayesha has coached for 20 years, 8 as a head varsity coach, and now turning her focus on youth development.

*Register by May 22 to receive a t-shirt.*

More details to come!
**QuickStart tennis** is a fantastic way to introduce the youngest players to tennis and rapidly develop their skills to begin a life-long love of tennis. This is a USTA(United States Tennis Association) national sponsored tennis program. To make the game more accessible, the USTA downscaled tennis equipment to kid-friendly sizes and court size for children as young as age 4. The children will feel more success with this tennis method and therefore gain a love for the game. The goal is for the kids to have fun and enjoy immediate success in tennis.

Lessons will take place at the tennis courts by Water Tower Park.

In the event of rain, the back-up site will be at the Community Services Gym.

**TAEKWONDO**

**AGES 6 TO ADULT**

Originating in Korea, Taekwondo is one of the most popular sports and martial arts today. Students will focus on forms (poomsae), sparring (kyeorugi), self-defense, and board breaking, all in a family-friendly environment; with emphasis on physical and mental fitness, discipline, and confidence.

Instructor, Donavan Thao, is a third degree black belt and has been training for over ten years under Master Chau Truong at Minnesota Family Taekwondo. Minnesota Family Taekwondo has raised some of Minnesota’s finest competitors in national and international competitions. Uniforms can be bought at a low cost and off-site promotional tests are held multiple times a year at an additional cost. Testing is not required in order to continue this class because we believe that each student moves at their own, individual pace.

Early Intervention & Screening

Free Early Childhood Health and Developmental Screening

What is Early Childhood Screening?
The early childhood years from birth to the start of kindergarten are an important time of rapid learning and growth. Early Childhood Screening is a quick and simple check of how children are doing between the ages of 3 to 5 years. It identifies, at an early stage, possible learning or health concerns so that children can get the help they need before starting school. Early Childhood Screening is not a kindergarten entrance test.

*Early Childhood Screening is required for entrance into kindergarten in a Minnesota public school.

When does my child need to have the Early Childhood Screening?
The Screening is most useful when it is completed between the ages of 3 to 3½ years.

Where is the screening held?
Residents of St. Anthony-New Brighton School District are screened at:
St. Anthony Community Center
3301 Silver Lake Road
St. Anthony, MN 55418

Why is it required?
The purpose of an Early Childhood Screening is to provide early identification of developmental concerns. Parents are encouraged to schedule a screening to share and receive vital information about their child’s development.

The screening includes evaluations of:
* hearing and vision
* height and weight
* speech and cognitive development
* immunization records

What happens during the appointment?
During the 40-minute appointment, your child will participate in assessments that will seem like games. An early childhood teacher will work with your child and compile a summary about your child’s growth and cognitive development. The teacher meets with parents to share the results and inform them about community health and education services that may be helpful for your child.
How to Schedule an Early Childhood Screening

To schedule a screening for your child, Residents of St. Anthony-New Brighton School District call St. Anthony Community Services at 612-706-1166. Residents of Minneapolis should call 612-668-0860.

What to Bring to an Early Childhood Screening Appointment

- Names and phone numbers of your child’s doctors.
- Your child’s immunization record.
- Any questions or concerns you have about your child’s growth and development.

Meet our screener, Stephanie Schreier!

Stephanie, a previous Preschool Teacher, has been our Early Childhood Screener for seven years.

What is Help Me Grow?

Help Me Grow provides resources for families of children birth to age 5 to understand developmental milestones and learn if there are concerns. This helps families take the lead in seeking additional support or referring their child for a comprehensive, confidential screening or evaluation at no cost.

Why is Developmental Screening Important?

While every child is unique, children develop in certain, predictable ways, called developmental milestones. Your child’s health care provider and early childhood experts will use screening information to keep tabs on how your child is progressing and determine if he/she is reaching the milestones.

SWIMMING ISN’T JUST FOR THE KIDS!

MASTER SEADOGS (SWIM TEAM)

Are you an active swimmer looking for a great place to get in your sets, or a triathlete/open water swimmer needing to get in some serious yardage for your upcoming event? Maybe you are looking to swimming for fitness. Want to feel like you are part of a community of fun, hard working people? We have room for you! At Master SeaDogs, we are about supporting each other, building each other up so that we all become better. We foster an inclusive environment of teamwork and healthy attitudes. Just be ready and willing to work hard!

For additional information on swim team, please contact Amy Croonquist at 651-343-1633 or acroonquist@isd282.org. We swim year round, so you may join the team at any time!
